Sure... and he should be able to provide any materials necessary to the committee and Council members. I have a good map that is helpful, attached.

Would you please forward me his e-mail contact information so I can send him the notice of meeting and agenda-just as a courtesy, since I am assuming you already spoke with him about this. Thanks, Cheryl

Thanks,

Cheryl

Marc Hunt will be the main presenter for the item on behalf of the Greenway Commission. Staff including myself and Seth Hendler (Parks) will be on hand for staff questions.

I should have asked you this in my earlier email--should I invite Marc Hunt?

Cheryl,

I plan on attending the Oct 27th meeting of the Finance Committee in order to assist with the Waller Tract discussion. I have a scheduling conflict, but I am going to try and do both.... do you have an agenda or know an approximate time that the Waller tract would be discussed?

Thanks,
